The Isaiah Project seeks to maximize the learning potential of the interns by establishing appropriate educational expectations.

_____ Participate in **supervisor/intern orientation**?

_____ Grant the intern identity as a ministering person and allow him/her to exercise an **appropriate range** of ministerial responsibilities under your careful supervision?

D. SERVICE PLAN:

1. Please indicate how you will identify the intern in your ministry, (student associate minister, ministerial intern, etc.)

2. Please list the ways an intern might be involved in your ministry. This is important for the field office in placing the intern and in establishing intern expectations prior to his or her arrival for learning and service. Interns should expect structure and support in their involvement. It is understood this is a tentative profile of an intern's role in your ministry. Except in limited instances, **the intern is not expected to carry the full responsibility for programs or ministries of the placement.**

3. Are there specialized skills or experiences required for the expectations noted under #2?

4. Do you have need for the intern to begin the internship on a date other than the official date established by the Office of Ministerial Services? Yes___ No___
If yes, what date are you requesting the placement to begin? _____

E. FINANCIAL PLAN:

Participation in the Isaiah Project assumes the intern will be provided a field stipend and/or grant. The stipend for a college intern is \$4,000. It is \$6,500 for a seminary intern. Of this the Board of Ordained Ministry will provide \$2,000 of funding for the intern. The local setting is expected to raise the remainder.
